## Autism Awareness Day

Students from Grade 1-8 were sensitized and made aware of the Autism spectrum. Teachers explained and raised awareness by using PPT and YouTube Videos that were shared by the inclusion team. The session was then followed by autism related activities like designing a logo, coloring etc. which was monitored by the teachers as well as the inclusion team.

## World Health Day

(Importance and Awareness about Health)

We able to reimagine a world where clean air, water and food are available to all. Where our economies focused on health and well-being  
Where cities are liable, and people have control over their health and the health of the planet.

## D.E.A.R Programme

The Drop Everything And Read (DEAR) strategy, part of our Whole School Literacy Program involves getting students to stop what they are doing and read for 20 minutes. It is a method that helps build students' literacy skills (especially when students can select their own book). It is also useful for assisting learners in getting more depth of knowledge (DOK) on a subject being taught when you give them an article or book to read to help them gain more insight for subsequent parts of the lesson.

## RAMADAN..

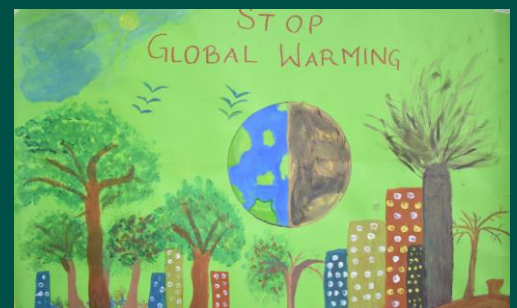

The Holy month of Ramadan saw all our students exhibiting the spirit of generosity and giving. From contributions to One Billion Meal Drive to distributing food and snack articles to our support and helping school staff, each student shone like a rising star. Both Islamic and non-Islamic students participated in a spate of activities celebrating the holy month.

# EARTH DAY

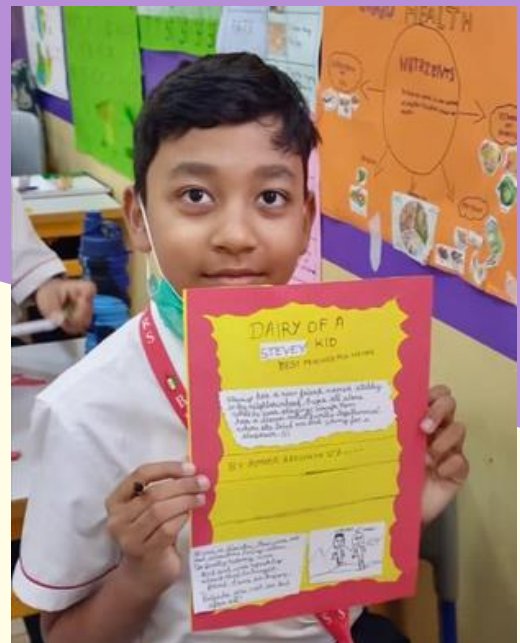

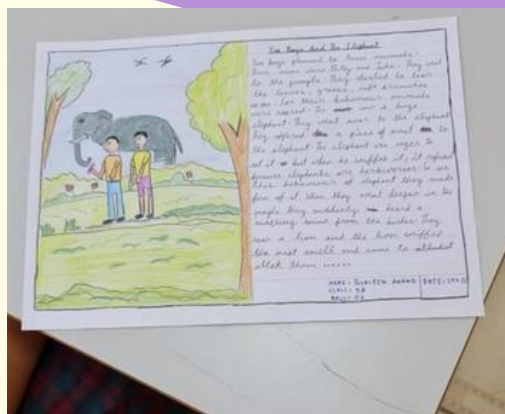

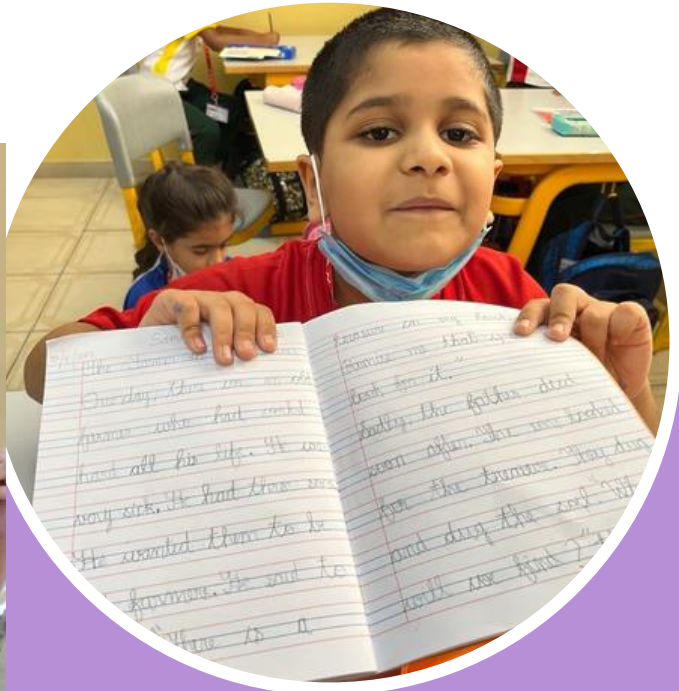

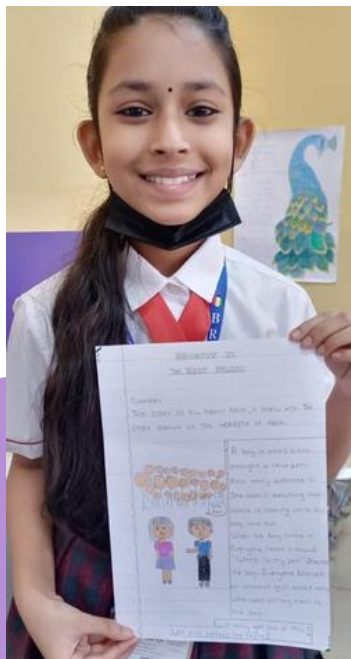

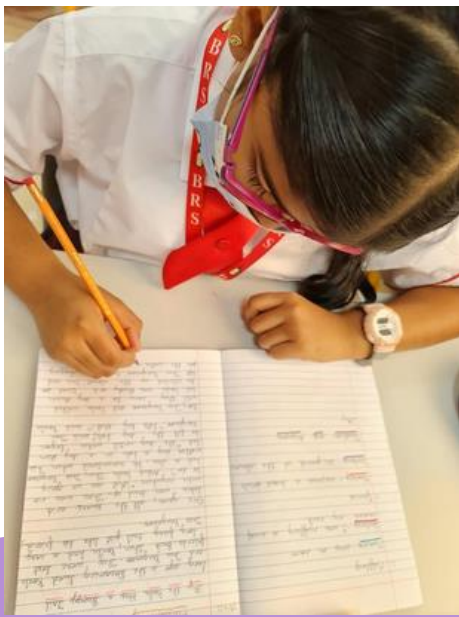

Earth Day promotes international awareness of environmental protection and earth conservation. It's the perfect opportunity to teach our students about important concepts, such as going green and reducing, reusing, and recycling.

# BLURB & HANDWRITING COMPETITION

World Book & Copyright Day is celebrated in recognition to the people associated with the world of books and printing and to promote the enjoyment of reading. To mark the occasion, an Inter-house Handwriting Competition was conducted for Grades 1 to 4. For the students of grades 5 to 8, a blurb writing competition was organized wherein students created an imaginary story with illustrations and wrote a book cover blurb based on it.

# INVESTITURE CEREMONY & HONORS DAY

"If your actions inspires others to dream more,learn more,  
do more and become more,you are the leader"

The purpose of the Student Council is to give students an opportunity to develop leadership skills by organizing and carrying out school activities and service projects. In addition to planning events that contribute to school spirit and community welfare, the student council is the voice of the student body. The student council helps share ideas, interests, and concerns with teachers and institute administrative authorities. It also help raise funds for school-wide activities, including social events, community projects, helping people in need and school reform. Student Council 2022-23 members were conferred their sash and badge in an Investiture Ceremony.
