Parent Support Group 2022-23

Academic Session 2022-23

KG1 to G8

Dear Parent,

Greetings!

At Bright Riders School, we believe parents are an integral stakeholder in the school journey and would like to take every opportunity to communicate and collaborate with parents. Keeping this in view, we formulate the Parent Support Group (PSG) core committee every year with one parent representative from each class group.

The main goal of the PSG Core Committee is to be a bridge between the school and parent community and work collaboratively towards the betterment of the students.

Kindly find below the list of PSG Core Committee members for 2022-23. You will be getting individual emails from your respective class teacher for further action.

Looking forward to an exciting and invigorating year ahead,

Ms. Deepa Shetty

Principal
